

Our number one priority is the wellbeing of our attendees, vendors and staff. Please be kind, patient and respectful to fellow shoppers and Peddlers as we all do our best to enjoy a safe and healthy event. We encourage shoppers to practice social distancing, avoid touching eyes, nose and mouth with unwashed hands, and to stay home if feeling unwell.

## Here are some of the ways we're creating a **#saferSHOPPING**experience at The Peddler Show:

- All tickets now sold online only (*Contactless box office*)
- Masks required to be worn at all times (*Complimentary masks available*)
- Vendors required to wear masks throughout entire duration of the show
- Wider and one-way aisles with sanitizing stations throughout show
- More spacing for booths to accommodate social distancing
- Touchless shopping encouraged until ready to purchase
- Disinfection after each customer for product demonstrations
- Single serving and pre-packaged food sample requirements
- Contactless payment encouraged whenever possible
- Increased and dedicated event staffing to implement health procedures
- Dedicated concessions area with proper spacing and limited chairs
- Increased cleaning and disinfection of surfaces throughout show & in restrooms

***We are strictly following the most current capacity and social distancing guidelines issued by the State of Texas. These guidelines are subject to change.***
